Emergency Body Armour™ is a new rapidly deployable 'device' offering the latest in globally respected and field-tested body armour technology, displaying truly outstanding protection from edged weapons, such as machetes and knives, as well as hypodermic needles.

Features & Benefits

- Rapidly Deployable
- Unlimited shelf life (compared to 3-5 years life span of Kevlar® made body armour)
- Outstanding protection from blunt force trauma (usually suffered following a kick, punch or blow from a blunt object)
- Shields the spine, ribs and all vital organs
- Extremely lightweight
- Ultra-thin
- Home Office (HOSDB) certified

Who Is This Product Suitable For?

- Hospitals
- Airports
- Public Transport
- City Centre Hotels
- Concert/Entertainment Venues
- Private Security Firms
- Other location members of the public wanting to seek shelter when faced by a sudden occurring threat

Material

Inside: 5mm thin high performance polycarbonate

Cover: High quality covert cover made out of Cordura®

Stab Protection

Tested & certified to HOSDB Knife Resistance Standard KR1
Tested in line with NIJ Standard

Blunt Trauma Protection

Excellent level of protection from a kick, punch or blow – or blunt objects such as piece of iron, chair, table, bricks, etc.

Needle Protection

Excellent level of protection from narrower blades & hypodermic needles

Tested Energy Level 1

24 Joules – 7mm Maximum Penetration

Tested Energy Level 2

36 Joules – 20mm Maximum Penetration

Sizes

15" x 10" / approx. 39cm x 26cm

Weight

3.9lbs / 1.8kg

Colour

High Visibility Yellow or Black

Place of Manufacture

UK

Product Code

400307

IN CASE OF IMMEDIATE THREAT

Product: **PPSS KR1 Covert Stab Resistant Vest (5mm)**
 Model #: **400102**
 Protection Level: **HOSDB KR1 Stab + Blunt Trauma
 + Needle Protection**

Not only an effective stab resistant vest but this 5mm covert model also provides an excellent level of needle and blunt trauma protection.

Based on our own operational frontline experience and extensive research, we can only stress that an impact based assault is a more likely and frequent type of attack than an assault involving an edged weapon or firearm.

Features & Benefits

- Concealable and lightweight
- Shields the spine, ribs and all vital organs
- Multi-curvature body shapes
- Comfortably worn
- Easily put on and taken off within seconds
- Indefinite lifespan (compared to Kevlar's 3-5 year lifespan)

Who Is This Product Suitable For?

- Anyone dealing with high risk individuals, such as potentially violent or aggressive members of the public, drug users or dealers
- Those operating in geographical areas known for criminal activities, drugs, alcohol misuse and disturbances
- Lone workers frequently faced with frustrated and disappointed customers
- Home or office visitors that enforce laws and regulations, police the system or deliver bad news
- Individuals or teams that secure and protect property, events and people

Material

Inside

5mm thin polycarbonate sheets, moulded to the upper body shape

Cover

Incorporates impact protective foam comfort layer

High quality covert cover made out of Cordura® – features a high-tech spacer fabric providing the highest level of comfort when worn in hot and humid environments

Stab Protection

Tested and certified to HOSDB Knife Resistance Standard KR1

Blunt Trauma Protection

Excellent level of protection from a kick, punch or blow – or blunt objects such as piece of iron, chair, table, bricks, etc.

Needle Protection

Excellent level of protection from narrower blades & hypodermic needles

Tested Energy Level 1

24 Joules - 7mm Maximum Penetration

Tested Energy Level 2

36 Joules - 20mm Maximum Penetration

Sizes

XS - 4XL

Weight

2.3KG (Size L)

Clothing Care

Protective fillers easily removed so the outer cover can be machine washable

AND BESPOKE DESIGNS**

Product: **PPSS Stab Resistant Vest - Covert NIJ III**
 Model #: **400302**
 Protection Level: **NIJ 0115.00 Level III Stab + Spike
 + Blunt Trauma + Needle Protection**

Not only an extremely effective stab resistant vest but this NIJ Level III covert model also provides a truly outstanding level of protection from blunt impact weapons and blunt force trauma injuries.

Features & Benefits

- Outstanding level of protection from blunt force trauma
- Extremely tough and durable
- Front opening means full securing of the garment is extremely simple and fast
- World's best performance/cost ratio
- Unlimited shelf life
- Comfortably worn – exceptional manoeuvrability

Protection From The Following Threats:

- Blunt impact weapons - including hammers, clubs, bricks, snooker balls, gym weights
- High impact cutting weapons – including axes and machetes
- Makeshift edged weapons, shanks and razor blades
- Heavy assault, including kicks and punches
- Blunt trauma injury associated with all the above

Who Is This Product Suitable For?
