

Product: **PPSS Overt Stab Resistant Vest (Navy)**
 Model #: **400105/NVY**
 Protection Level: **CAST KR1 / NIJ 1**
+ Blunt Trauma + Needle Protection

Not only is this 5mm overt model an effective stab resistant vest but it provides an excellent level of needle and blunt trauma protection.

Based on our own operational frontline experience and extensive research, we believe that an impact-based assault is a more likely and frequent type of attack than an assault involving an edged weapon or firearm.

Features and Benefits

- Lightweight
- Shields the spine, ribs and all vital organs
- Comfortably worn
- Easily put on and taken off within seconds
- Indefinite lifespan (compared to Kevlar's 3-5 year lifespan)
- Front zip fastening
- Klick Fast docks
- Velcro patches as standard (small on front, large on rear)

Who Is This Product Suitable For?

- Anyone dealing with high risk individuals such as potentially violent or aggressive members of the public
- Those operating in geographical areas known for criminal activities, drugs, alcohol misuse and disturbances
- Lone workers frequently faced with frustrated and disappointed customers
- Home or office visitors that enforce laws and regulations, police the system or deliver bad news
- Individuals or teams that secure and protect property, events and people
